Certified Salon

How will you feel after a **Brazilian Blowout?**

The minute you leave the salon you will run your fingers through your hair and be amazed at how silky it feels...

you will call several of your friends and tell them about it...

you will walk into your home and shake your hair from side to side in front of the mirror...

you will sleep with the feeling of silky smooth hair on your pillow...

you will wash your hair and be amazed at how beautifully it dries naturally...

you will live for 12 weeks with manageable, smooth, silky, frizz-free hair!

Entire treatment completed in just 90 minutes depending on hair length.
We can carry out your treatment @YourHome or @iSpa.
